### **Other Retail – Curbside Pick Up or Delivery**

- While not possible in every instance, some retailers who are not otherwise deemed essential on this list may transition to curbside pickup or delivery only for orders taken online, by phone, or by other remote means.
- On-site cash transactions are not permitted.
- Staff necessary to support taking of orders and curbside pickup or delivery may be physically on site, provided that appropriate social distancing protocols are observed and facilities are cleaned frequently.
- In all other instances the retailer's facilities must remain closed to the public.
