

New Hampshire Council on Resources and Development
NH Office of Planning and Development
100 N Main St., Concord, NH 03301

CORD MEMORANDUM

TO: Jared Nylund, Real Property Asset Manager, NH Dept. Administrative Services

FROM: Stephanie N. Verdile, Principal Planner 
NH Office of Planning and Development

DATE: June 28, 2022

Re: 2022 SLR 001
Request from the New Hampshire Department of Administrative Services (NHDAS), on behalf of the New Hampshire Department of Environmental Services (NHDES), to lease two abutting parcels of land that were a former gravel pit and waste disposal site acquired by the State in the early 1980's. The parcels have gone through the remediation process under the Federal Superfund program the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA). The proposal is to lease the property to a special purpose entity that will construct, install, and operate a commercial solar farm.

On June 23, 2022, the Council on Resources and Development (CORD) voted to recommend approval of the above referenced Surplus Land Review Application #2022 SLR-001, as outlined in the application materials.
